

STATE COLLEGE
TO MEET TIGERS

Friday's Game Promises to Be Fast One; Aggies Count on Winning.

State College, N. M., April 27.—The State college baseball team will play the El Paso high school team on Friday afternoon at 2 o'clock for the first baseball game of the season between the two teams. The Aggies are preparing for a fast aggregation, and will make a strong bid for the game.

Have Won All.
The Aggies have played and won four games so far this season. The first series of two games was held with the nine from the New Mexico school of Mines at the college, and both games resulted in victories for the college nine. The second series of two games were played with the Denning high school team last week end, and the college team easily won, scoring a shutout in the first game and winning by 5 to 1 in the second.

The last games for the Aggies will be a series of two or three games with the University of New Mexico nine at State college on May 4, 5 and possibly the 6th.

RAILWAY OFFICE
MEN PLAY BALL

Game Arranged For Saturday Afternoon By the Accounting Departments.

In the El Paso and Southwestern office building are a lot of 13rd degree baseball fans. The other day they started an argument. One fan wanted to know which excelled in his special department of the game—Howard Rix as a manager; J. M. Coyne as a scorer or A. J. Ferro as an umpire. That started things. They haven't settled the argument yet but they are promoting the fans some "big league" baseball at Rio Grande park Saturday afternoon, starting at 3 o'clock and ending with darkness, if the stars don't tag out before that.

The accounting department of the railroad company occupies the fifth and sixth floors of the building, and the baseball fans are all high up. The fifth floor men think they're better ball players than those on the sixth, though the latter are a floor higher. A challenge was sent and it was accepted and now the railroad employees are on "tip toe" for the game.

The Probable Lineups.

Fifth floor team: Claim agent Hamilton, p; auditor of passenger accounts Havenhill, c; paymaster Averill, 1b; assistant paymaster Yost, 2b; general auditor Wright, 3b; car accountant Bower, ss; chief clerk Anderson, lf; chief rate clerk Mitchell, rf.

Sixth floor team: Assistant general auditor Brown, p; freight accounts auditor Montgomery, c; disbursement auditor Blumensell, 1b; station accounts auditor Morris, 2b; head bookkeeper Cooper, 3b; assistant bookkeeper Ray Hawley, ss; chief clerk Jones, lf; statistician Tally Brown, rf; chief rate clerk Nelson, rf.

Subs May Play the Game.

But then there will be substitutes and the betting is that the "regulars" will work one inning and then let the substitutes play the game. Here are the subs:

Fifth floor: Rix, p; Roberts, c; R. Brooks, 1b; Ross, 2b; Miller, 3b; Hughes, ss; J. Hughes, lf; Bliber, rf; Coyne, rf.

Sixth floor: Helm and Miller, p; Mahan, c; J. Merrill, 1b; H. Merrill, 2b; M. Crowley, 3b; Woods, ss; Blackshear, lf; Gilmore, rf; Meleen or Currier, rf.

And for umpire, the employees propose to offer another star attraction. They have offered the job to A. J. Ferro, general auditor. They feel that with the "big boss" in charge, there will be no kicking on decisions. If the general auditor cannot be prevailed upon to call the balls and strikes, A. J. Ferro may be coaxed to don the protector.

DRIVE CHAIN BREAKS, TRUCK SKIDS, HITS TRANSFER WAGON

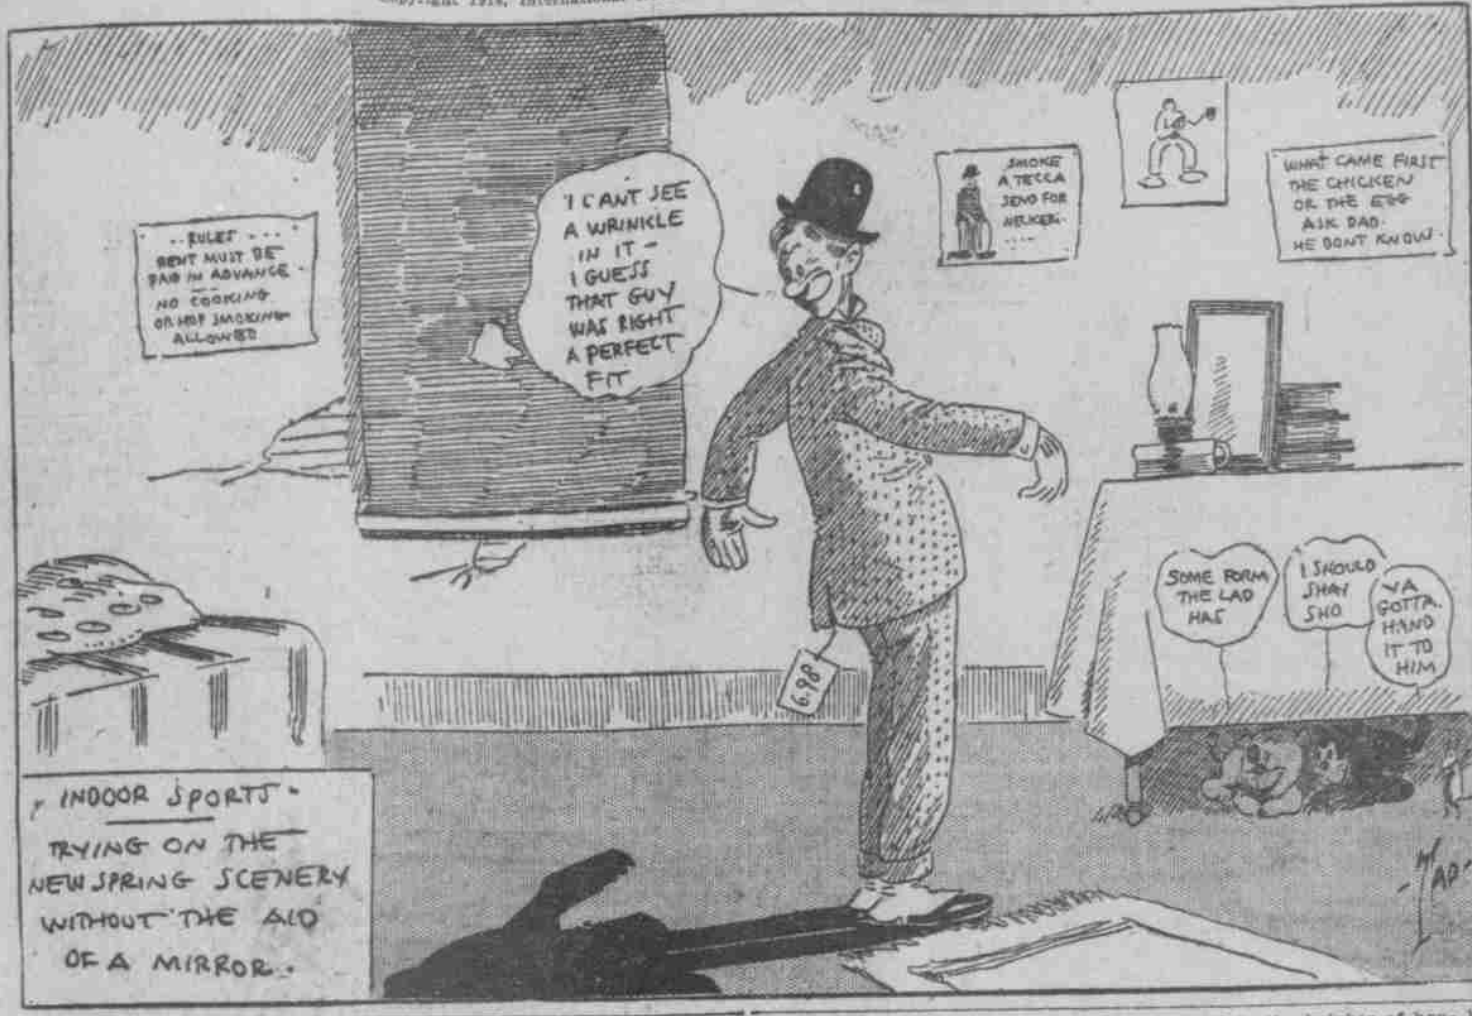

An automobile truck belonging to the Western Transfer company struck a Mexican transfer wagon Wednesday afternoon when the drive chain of the truck came off and the driver lost control of his truck.

The accident happened at Overland and 31 Paso streets. C. Montoya was driving his wagon down Overland when the truck skidded into it. Montoya was knocked out of the wagon and slightly injured. The truck was driven by David Anglin.

A transfer wagon owned by Jose Ponce was struck by an automobile on Blase street Wednesday afternoon and badly damaged.

Copper League Dope

BY FARM Y. BUSH.

Lordsburg, N. M., April 27.—Greet us, George; we're in the ring again. We announce the birth of the new Copper league. Congratulations are in order. Lill' ole Lordsburg has sprung the bug this year and now stands supported by the population. A new grandstand, a real for sure fenced park, excellent grounds—and incidentally a baseball team, greets us today. Nearly \$1000 has been subscribed for the team and the Arizona towns say, "Go to it, boys." Globe, Miami, Clifton, Morenci, San Simon, Bowie, Wilcox and other copper growing dry spots have signified their willingness to join in the new Copper circuit for a series of games this season, and Lordsburg has taken them at their word. We're off!

Clifton, which has always hung the grape on Lordsburg, is going to find the preparedness of the local team no joke. It is understood here that Clifton has organized, but the old strength is lacking—those good players have advanced a notch. The empty berths are said to be filled with youngsters. It's a shame to do it.

Jack Leonard, former chief of the Miami aggregation, is with the Lordsburg Peppers this season. Jack still retains the dope of Miami and will guarantee them a hot series when they play here.

Barney (Barnett for long), of the old Copper league, blew in from Bisbee last week and made good on a trout Sunday. Barney will hurl for the locals.

W. T. Brinkley, formerly of Huachuca, Ariz., is manager of the Lordsburg Athletics this season and is putting the boys through a training campaign they will not forget soon. And out old friend Harry Wright, of Clifton, is chairman of the association. Two good boosters of a starter.

Johnny Brown, the many years captain of the Lordsburg baseball team, is out again strong this year for the boys.

THINGS already look so prosperous for the Strike League that the first strike for more pay is now under way. Bill Medina is carrying on a strike against the Waco team. Bill had better look out. Some other promising youngster will step into that third-base position and Bill won't even get the regular "divvy."

REPORT comes from the Havre de Grace racetrack in Maryland, by way of Chicago, that "according to semi-official advice," Col. Matt Winn is to be deposed as head of the Butler racetracks, Juarez included, and that the new manager's name will be announced in the near future. This same report says the Juarez track was a big loser last season.

WHEN Pie Way, the Yale pitching star, joins the Giants, the paragon will have a chance. That name surely can't escape notice.

WHILE Jack Nease broke Ty Cobb's record for hits in consecutive games, he isn't good enough to stick with the White Sox and negotiations are now under way to send him to the Baltimore club of the International league. By the way, it begins to look as though the International will be faster this season than any year since 1912.

TENTATIVE schedules for the Rio Grande league this year have been drawn and have been forwarded to the managers. The schedule calls for the opening games on May 23, with each club getting nine weeks at home and nine weeks on the road. Pueblo and Colorado Springs get the July 4 dates but Decoration and Labor day games will be at Trinidad and Amarillo.

HOW do you dope it out? The despised Athletics have managed to win three games out of ten played, though Connie Mack admitted before opening day that the team stood no chance of winning the pennant. And the Giants, for whom McGraw claimed a flag, have won only one game in seven and have a percentage of .143 against .300 for the Athletics.

And is again giving them the same old support as of yore.

Among the old familiar names on the Lordsburg lineup still are to be seen Gannon, Marshall, Diaz, Burch, Wing, and Red McEllen umpiring.

WHITE SOX ARE PENNANT CHASERS

(Continued From Previous Page.)

can league race. Wasn't that a consummation devoutly to be wished?

Collins strengthens White Sox in the 1915 running. Without him, the Chicagoans wouldn't have amounted to much. Since Collins this year, the Sox couldn't be figured very largely in the pennant fight. But with him they

promise to give all rivals a desperate battle.

Frank Baker's corner to the Yankees was a master stroke. The New Yorkers needed just such a slinger and experienced third baseman. With-out Baker, the Yankees probably would not be pennant chasers this year. But with him they can be figured in the hunt.

If the Athletics machine were still intact and Speaker was still wearing red hosiery what would be the outlook this season? Well, the Athletics would be odds-on favorites for the pennant with the Red Sox as runners up. The other teams probably would be so far outclassed that baseball interest in the six other teams would die by May 15. But how different it is now.

Why Not Equalize Teams?

The Yankee roster are wild over their team because they feel it has a chance for the pennant. Clevelandites have been lifted from the vale of

In Boyland:

TEXAS RED SOX claim a victory over the Feldmans, 13 to 17, in a game played last Saturday morning and another victory over the Alexandria Juniors on Wednesday afternoon, 8 to 7.

The Red Sox will play the Alexandria Juniors again on Saturday and they also have a game booked with the Myers Juniors. They challenge any team whose players average 13 years of age and not over 85 pounds in weight. John Ledbetter is the manager.

Following is the lineup of the Texas Red Sox: Brice Schuller, p; Howard Butler, c; John Ledbetter, 1b; Bruce Powers, 2b; Harold Hall, 3b; Ben Eward, 3b; Joe King, cf; M. Thor, rf; Vernice Thor, lf.

The Prospects report a victory over the Alexandrians. The Prospects had the score 13 to 6 at the end of the second inning and say that the Alexandrians refused to continue the game.

Following is the lineup of the Alexandrians Juniors: Alfred Chilla, c; Lane McKinney, p; Jake Aragon, 1b; Paul Gotes, 2b; Warren Laster, 3b; Charles Gilbert, 3b; Harry McInnes, cf; Harvey Gotes, rf; Edgar Chew, lf.

The St. Ignatius team is now playing games, the team being composed of boys attending San Jacinto school. They defeated the Concord nine on Wednesday by a score of 15 to 6 on the Magoffin grounds.

Games are wanted by the St. Ignatius team with teams whose players do not average above 110 pounds in weight. Games can be arranged by calling at San Jacinto school.

A Handsome Car

WHEN you pay several hundred dollars for an automobile, why not get a good-looking one—one that you will be proud to own, proud to drive and proud to take your friends out in? Maxwell owners have a just pride in the handsome appearance of their automobile for Maxwell Motor Cars have the same attractive lines, the same graceful design as the higher priced types.

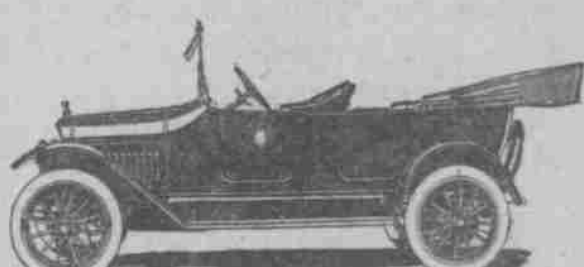

In addition to good looks you want, of course, a reliable, sturdy and economical car. But there is no doubt in your mind on these points since the Maxwell a short time ago established the World's Motor Non-Stop Mileage Record. Any car that can run continuously for 44 days and nights, averaging 500 miles per day—22,000 miles in all and without once stopping the motor—is bound to be a well designed and well made car.

Any car that can perform such a wonderful feat on an average of one gallon of gasoline to every 22 miles is bound to be an economical car.

We have such confidence in the Maxwell car and the company behind it that we are willing to sell these cars on partial payments—and deliver the car to you when you make the first deposit. In justice to yourself you ought to know more about the Maxwell car and our pay-as-you-ride plan. All we ask is the opportunity to tell you.
